New Methodist Church.

At a congregational meeting of the Methodist Episcopal Church of this place on Wednesday, by a unanimous vote of the members, it was decided to build a new Methodist Church in this place. The Board of Conservation and Advance offered to contribute one-third of the outlay for a building to cost not less than \$50,000. The congregation are willing to undertake the erection of church and parsonage at an outlay of \$50,000 if necessary, one-third to be provided as indicated. It is believed that there will be other assistance by reason of the memorial character of the edifice in Gettysburg and in a college town. The congregation will have toward the present edifice and parsonage and the two are expected to yield not less than \$15,000. Supt. James W. Bodley of the National Cemetery, announced a contribution of \$1000 for the new church. A building committee of nine will be appointed by the Rector, Rev. Harry Daniels. The effort will be to acquire a location elsewhere if the price is not prohibitive and if so, then to rebuild on the present site.

McSPARRAN MAKES CLEAR

HOW REPUBLICAN MACHINE HAS STUNG COUNTRY PEOPLE.

While the Machine Escapes Same Taxes in Handling Voters in Our Two Big Cities.

Every man and woman outside of Philadelphia and Pittsburgh has been made to pay a head school tax and in Adams county this tax was \$3. The men and women go free of this tax at the orders of the Republican machine backing the law authorizing this tax. This is the first year this new law has been in force and every man and woman should remember this fact on going to the polls and vote against the machine that made this law, by which a burden is placed on the country while the two big cities go free.

John A. McSparran in a recent speech read this new tax law passed by the last legislature and then explained it. The law is:

"Each resident or inhabitant over 21 years of age, in every school district of the second, third and fourth classes in this Commonwealth which shall levy this tax, shall annually pay for the use of the school district in which he or she is a resident or inhabitant a per capita tax of not less than \$1 nor more than \$5, as may be assessed by the local school board."

That law was amended by the Legislature. Mr. McSparran explained in order that the school boards might exact tribute from the women in districts other than the two of the first class. He was not criticising the extension of the tax to include women, but he did want to know why the lawmakers were careful to exempt Philadelphia and Pittsburgh. He found an answer to that question in the powerful Republican machine maintained in the two cities.

In Philadelphia and Pittsburgh, where the organizations furnish their followers with tax receipts in order to get them registered, it would be a rather costly proposition to marshal their forces if they were to provide receipts covering the head tax. So residents of the two big cities were allowed to go free, while in other sections of the State men and women alike, regardless of whether they own property, must dig down and pay their proportionate share of the public schools expenses.

Where is the justice in a system of that kind? McSparran asked. And then we find men like Gifford Pinchot saying they cannot make up their minds about the school problems of the State without first having a fake commission conduct an investigation that means nothing.

In many school districts of the State, said the head of the ticket, the per capita tax has been levied to the limit of the law. In scores of places it has been fixed at \$3 and in others it is \$2.

Mr. McSparran says one of the most encouraging features of the campaign thus far is the fact that our audiences have been running at least one-third Republican.

We realize the average Republican is just as anxious for good government as the average Democrat. It is not a question of a quarrel between Republican and Democrat, but coming election is to determine whether we are to repeat the fiasco of the last two State administrations, with an eminently respectable head, backed by the powerful Pennsylvania machine, or whether we are to have an opportunity in Pennsylvania to put over the thing which in other States has invariably brought good government.

DEATHS.

Mrs. Elizabeth Reichle, wife of Norman Reichle, and former resident of Gettysburg, died at Hahnemann Hospital, Philadelphia, Wednesday morning. She had been ill several weeks but the exact cause of her sickness has not been learned. She was aged 34 years. Before her marriage she was Miss Elizabeth Berger. She leaves besides her mother, Mrs. May Berger, of Baltimore, one brother, Walter Berger, and sister, Miss Grace Berger, both of Baltimore. The body was brought here and interment made in Evergreen Cemetery on Friday afternoon.

Mrs. Mary G. Morrell died last Saturday at her home in Biglerville after an illness of several years, having been confined to her bed for the last two years. Her age was 77 years. She is survived by her husband, Clarence G. Morrell, two daughters, Jacobina, and Mrs. Salome Lower, of Pittsburgh; and one son, J. Edward, of Harrisburg, and a grandson, Arlie Morrell, of York Springs. Three sisters, Mrs. David Knab, of Dillsburg; Mrs. John Solih, of Biglerville; and Miss Minnie McCan, of Biglerville; and two brothers, Edward, of Mechanicsburg, and Howard McCan, of New Carlisle, Ohio. Funeral services were on Tuesday, services by Rev. S. F. Tholan, pastor of the Biglerville Lutheran Church, and Rev. W. W. Kauffman, pastor of Mt. Olivet.

CIVIC NURSING ASSOCIATION

COMPLETES ELEVEN YEARS OF SERVICE TO OUR TOWN.

Organization in Good Financial Condition—Have Reserve Fund Invested in Bonds.

As President of the Civic Nursing Association it gives me much pleasure to submit the eleventh annual report of your Board of Directors for the year ending Oct. 1, 1922.

1. The work of the Board: The Board of Directors is well organized for the gathering and administering of funds as well as for the general administration of the work entrusted to it. The various committees and departments have done their respective parts well.

A Sewing Guild, which has for some years co-operated with us, has now become a department of the association. During the year it has made and contributed 150 garments, which have been distributed to the needy by our nurse. The women and the girls of the community are invited to participate in this form of service. Information concerning it may be had from Mrs. Clyde B. Stover, the head of this department.

2. The work of the nurse. The association is fortunate in having the service of so able and devoted a nurse in Miss Mary Grove, R. N., who has just completed her second year with us. Her work has been eminently satisfactory to the Board and to the patients. No figures can measure the ministry of a faithful nurse, but they at least set forth her diligence.

During the year she has made 1483 visits to 283 families. During the ten years of our active work, our nurses, Miss Briel in eight years and Miss Grove in two, made 13,307 visits to 2,274 families. We record this with feelings of devout gratitude to the Great Physician who has inspired the work and to the good people of Gettysburg who have supported it.

3. The finances:

The Treasurer's report is most satisfactory. Starting the year with a balance of only \$275, he ends it with a balance of \$265.43. Of this sum the directors have authorized the transfer of \$100.00 to the reserve fund, which now amounts to \$1000.00, invested in government bonds, the interest of which is applied to current needs, and the principal is reserved for emergencies only. The entire income for the year has been \$129.93 (including the balance of \$275) and the expenditures have been \$963.50, leaving a balance of \$265.43.

The sources of income, it will be noticed, are four: the annual canvass, fees for nursing, church collections, and contributions from orders, societies and industries. We trust that the support will increase. Many individuals should give at least \$5.00 per annum, and all patients should endeavor to pay the small fee asked. The larger industries, whose employees find the nurse a great help for themselves and their families, are earnestly asked to increase their gifts.

We call attention to the fact that the nurse collected about one-third of her salary in fees. This is most gratifying. The association ministers to all and expects support from all. It looks for a reasonable return for services rendered. Well-to-do patients should not evade the payment of envelopes, during the last full week of October and their collection will occur as far as possible on October 30. We bespeak the cordial reception of our canvassers and the prompt return of well filled envelopes.

Respectfully submitted,

I. A. Singmaster, Pres.

Samuel F. Glatfelter is a descendant of Casper Glatfelter, who was born in Switzerland. With his wife and four children Casper Glatfelter in 1743 sailed from Rotterdam in the Francis and Elizabeth and landed at Philadelphia. This pioneer Glatfelter family moved westwardly until it reached what is known as Glatfelter along the Northern Central Railroad, about miles south of York where it settled down permanently. While living at this place there were born to Casper Glatfelter and his wife three more sons and several daughters.

Four younger sons of Casper were soldiers in the Revolutionary War, the youngest of whom was Casper Glatfelter, Jr. This man was the great-grandfather of Samuel F. Glatfelter, who is now the candidate for Congress from the York-Adams District. The grandfather of our subject, John Glatfelter, was a soldier in the Mexican War of 1812.

Samuel F. Glatfelter is a son of Isaac K. Glatfelter and was born in Springfield township, York county, Pa., on April 7, 1848. Isaac K. Glatfelter lived all of his lifetime in Springfield township. He was the father of nine children. Five of them are sons and they are all real Jeffersonian Democrats.

In keeping with the tradition of his ancestors, Samuel F. Glatfelter took advantage of getting all the education that the county schools offered. He was imbued with a desire for higher education and he left the farm at an early age to enter the normal department of the York County Academy where he was under the tutelage of Prof. Kain and Gardner. When he was 16 years of age he began a successful career of teaching in various districts in York county, spending 15 years as a long mechanical teacher. He was a student at Pennsylvania College at Gettysburg where he specialized in Latin and Greek.

An attractive opportunity presented itself to Mr. Glatfelter and he became a building contractor in a comparatively young life. He laid the foundation for a successful builder and has prospered that occupation for the period of thirty years. During this time Mr. Glatfelter has built many of the most beautiful and modern houses and business buildings of York and other counties. In his own country, as well as in other parts of the State, Mr. Glatfelter is an admitted leader as such builder.

There are many other points of endeavor into which Mr. Glatfelter has entered. He was one of the promoters of The Guardian Trust Company, of York, Pa., and is now president of the Harkey Mutual Fire Insurance Company.

He is now the historian of the Casper Glatfelter Association, a chartered family organization of the descendants of the Casper Glatfelter who came to this country in 1743. This association of Glatfelters numbers from the founders and the members thereof reside in all parts of the United States and foreign lands. In the past the Casper Glatfelter association, Samuel F. Glatfelter has traveled to all parts of the United States, Canada and Europe.

Because of his many efforts as a public spirited citizen and as a successful business man in the building industry, Mr. Glatfelter has been elected to the position of member of the Board of Directors of the York County Chamber of Commerce and is a member of the York County Historical Society.

Mr. Glatfelter is a man of high character and high ability and is a man of high character and high ability and is a man of high character and high ability.

WEDDINGS

(Continued from page 1)

Mr. and Mrs. Shook of Carlisle were guests at the wedding of Mr. and Mrs. Shook at the First Lutheran church. Miss Shook was a party to the contest over the will of Samuel Albert in our court.

Mr. and Mrs. Marvin E. Van Dyke of Harrisburg, former residents of Gettysburg, have announced the engagement of their daughter, Mary Ruth, to George W. Cain, Jr., also of Harrisburg. Miss Van Dyke is employed by the Bell Telephone Company at the Pennsylvania State Capitol and Mr. Cain is a teller at the Mechanics' Trust Company, of Harrisburg. The wedding will take place in the fall.

A Fine Concert.

Miss Helen Davis, mezzo-soprano, and Victor Young, the composer-pianist, will appear jointly in a unique concert in the Lincoln Way Theatre on October 25, under the direction of Nace's Music Store. Invitations have been issued very liberally and the holders will be given tickets upon application to the Nace store on Carlisle street.

THE VOICE WITH THE SMILE

When your Bell telephone operator answers your call, she says

"Number, please?"

She says it with the pleasant rising inflection which expresses better than words her desire to serve you.

She was chosen for her ability and intelligence.

She was trained to be quick, careful and accurate.

She has all of these qualities.

And in addition, she has "the voice with the smile."

It's not just a part of her "stock in trade."

The desire to serve her neighbors and friends is in her very nature.

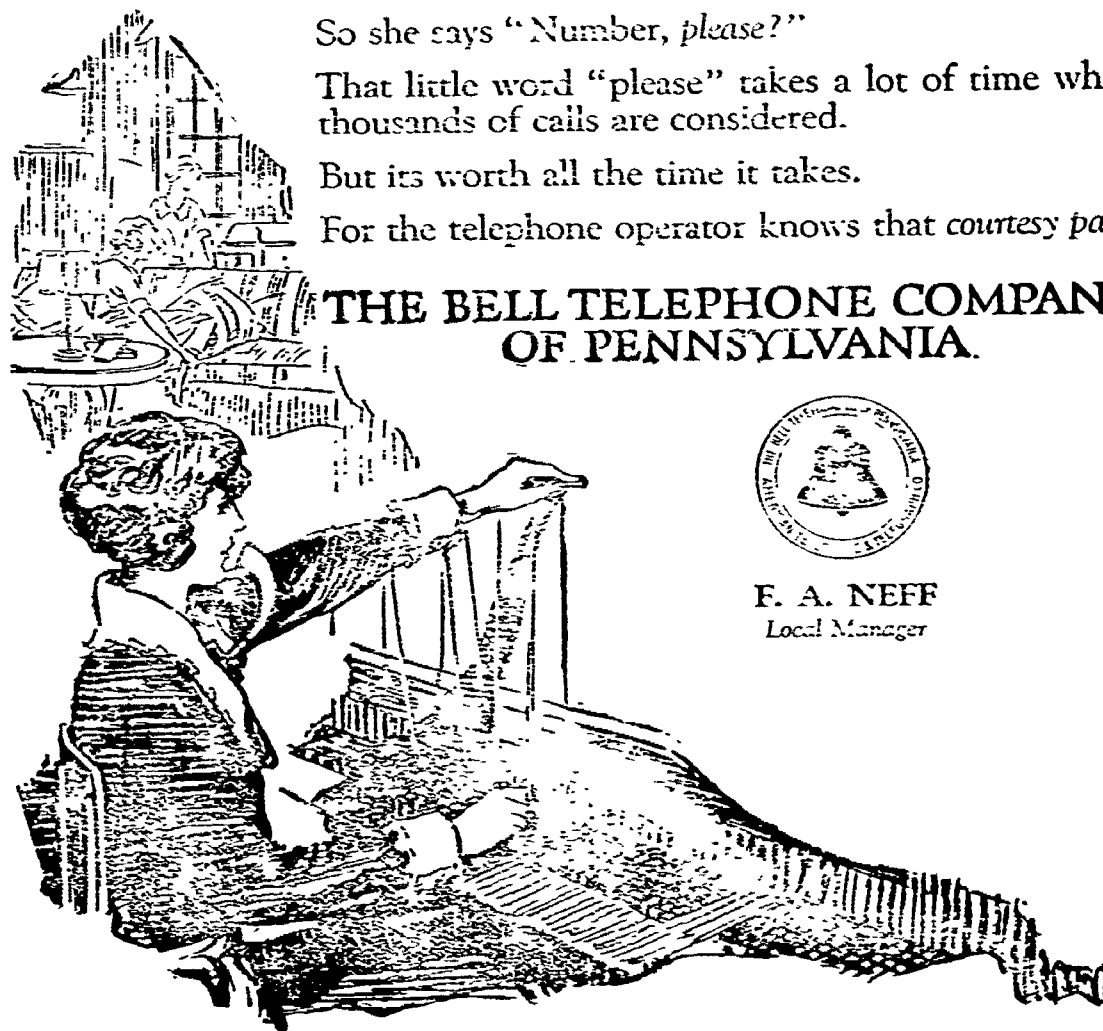

So she says "Number, please?"

That little word "please" takes a lot of time when thousands of calls are considered.

But it's worth all the time it takes.

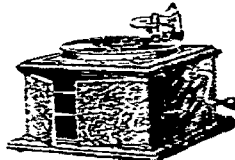

For the telephone operator knows that courtesy pays.

DEATHS.

(Continued from page 1).

Church of the United Brethren, with interment in the Biglerville Cemetery.

Miss Nellie May McCauslin, daughter of Mr. and Mrs. Martin McCauslin, of Weaverville, died last Friday morning aged 19 years, 3 months and 27 days. She had been in failing health for the past six months. She leaves besides her parents the following brothers and sister: Calvin, of Lancaster; John, of Mt. Holly Springs; George, of Bendersville; Robert, of Aspers, R. D.; Mrs. Ray Showers, of Biglerville, R. D.; and Dewey, at home. She was a member of the Weaverville Lutheran Church for the past five years. Funeral services were Tuesday morning in the Weaverville Lutheran Church by Rev. W. D. E. Scott and Rev. J. A. Martin, with interment in the Weaverville Cemetery.

Lay Corner-stone for Chapel.

The Elias Lutheran Church, of Emmitsburg, had a week's celebration of the 125th anniversary of the church and concluded with the laying of the corner-stone on last Sunday of the Reinwald Memorial Chapel. Dr. J. A. Singmaster made the address on the occasion. The chapel will cost \$12,000 and have a seating capacity of 200 and will be for the Sunday School and social events and will have a modern kitchen, dining room and other equipment. Rev. Charles Reinwald, D.D., in whose honor the chapel is named, was the pastor for the longest period of any pastor in history of the church, 28 years, and during his pastorate the centennial celebration was held. The present stone church was erected in 1797.

RENEWED TESTIMONY.

No one in Gettysburg who suffers backache, headaches or distressing urinary ills can afford to ignore this Gettysburg woman's twice-told story. It is confirmed testimony that no Gettysburg resident can doubt.

Mrs. D. F. Arendt, R. R. St., gave the following statement February 14, 1916: "Doan's Kidney Pills have always given me the most excellent results. I was suffering from backache and dizzy headaches and my kidneys were much too free in action. I felt all worn out in the morning. Hearing of Doan's Kidney Pills I purchased some at the People's Drug Store and they gave me relief at once and have always given me such fine benefit that I keep them on hand to use in case of need."

On April 11, 1921, Mrs. Arendt said: "I don't have any kidney trouble at all any more and I attribute my cure to Doan's Kidney Pills. I think even more highly of Doan's than I did in 1916, because the cure they brought about has been a lasting one."

Will You Help the Democratic Party to Win This Campaign?

If so the most helpful thing you can do now is to contribute to the Democratic Educational Campaign Fund so that the Educational work of the Democratic National Committee can be carried out as planned.

The Democratic National Committee Needs Money and Needs It Now

For the purpose of getting the record of failure of this Republican Do-Nothing Congress and Do-Nothing Administration before the people, and to show them again the road to Democratic Prosperity, which they traveled for eight years of Democratic rule.

Send Your Contribution to the Gettysburg Compiler

The Democratic National Committee has arranged with the publisher of Gettysburg Compiler to receive and receipt for contributions. A duplicate receipt will be mailed from Democratic Headquarters.

Give What You Can Afford—Much or Little—But Give It Now

The Democratic Party has no privileged classes, no protected profiteers, no trusts or moneybunds to appeal to. It represents only the people, therefore it appeals only to them.

This is a Democratic Year. Do your share to help win the Victory.

Democratic Prosperity vs. Republican Disaster

The estimated wealth of the United States when President Wilson went into office in 1913 was \$185,000,000,000; it increased to \$300,000,000,000 in eight years of Democratic rule—a gain of \$115,000,000,000. The present estimated wealth of the United States is \$225,000,000,000—a loss of \$75,000,000,000 in fifteen months under Republican rule.

Since the Republican party was voted into power in November 1920, the American farmers alone have suffered a loss of near \$30,000,000,000.

Some Republican Broken Promises

The Republicans promised the country PROSPERITY: they have given it ADVERSITY.

They promised to stimulate agriculture and business: they have given an industrial panic and destroyed our foreign markets. Foreign trade declined from \$13,500,000,000 in 1920 to near \$6,000,000,000 in 1922.

They promised to reduce taxes: they have shifted taxes of the multi-millionaire and profiteering class to the smaller taxpayers without lifting taxes or reducing them. Repeal of the Excess Profits tax relieved the Big Interests of paying \$450,000,000 in taxes; reduction of the higher surtax relieved them of paying \$61,500,000.

They promised to reduce the high cost of living: they have given a Profiteers tariff bill which increases the high cost of living, and makes the farmer pay \$5 on everything he buys for each \$1 of "protection" he gets.

They promised to reduce the expenses of the government; they have increased the expenses of running the various departments of the government (1923 budget), three years after the war \$536,000,000 compared to 1915, three years before the war, with an estimated deficit of \$500,000,000 in addition—or \$1,000,000,000 increase.

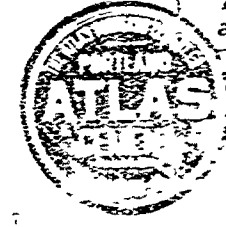

PORTLAND CEMENT

TOWN and country—our grandfathers would rub their eyes at many of the changes. Permanence, economy, pleasing appearance—all are far more considered than formerly.

Your building material dealer has had much to do with this change. Atlas Portland Cement has done its share in the last quarter century. In spite of the tremendous demand for concrete, both manufacturer and dealer accept a smaller margin of profit on it than almost any other building material you can find. It is, in fact, your most economical building material.
